How to remotely access the college network with a Linux device

Download the remote desktop app from the following link.

http://www.freerdp.com/

Type the following command into a terminal to connect remotely.

```
xfreerdp LSEC_Remote_Desktop.rdp /u:user.name@lsec.ac.uk /p:[The users
Password] /f
```

NOTE: If you encounter any issues please don't hesitate to contact **IT Services**

- Log a support call on the Service Desk System via LSEEG/LSEC SharePoint

- for emergencies call us on ext. 5300 or if external 0300 303 3138
